The DALY CITY RECORD and DALY CITY SHOPPING NEWS Reach 45,000 People Every Week In Daly City, Colma, Broadmoor, Garden Village, Buri-Buri, Southwood and San Francisco.

PUBLISHED THURSDAY | DALY CITY, SAN MATEO COUNTY, CALIF., THURSDAY, DECEMBER 29, 1949 | VOLUME 46, NUMBER 48

SO WHAT

By Gil Wales

"A fine Christmas," has been the echo that reverberated from all those we have been in contact with since the celebration of the birth of our Saviour. Of course, we realize that at least some of the expressed sentiments were a bit of optimism, but on the whole, they came from the heart.

Yes, there is little doubt that just about everyone, in this vicinity anyway, enjoyed themselves to the full. Yet, honestly, when you weigh the situation, it is absolutely a wonder that people can feel so gay and carefree. It certainly proves that most of our hearts are in the right place.

Naturally, all of this leads up to the finances involved. Just about everyone squeezed, pushed and pulled their budgets to extract the very last cent to spend on presents for the tiny tots first, and all of the relatives and friends thereafter.

As a consequence, one would suppose that the family larder had been drained dry. But is that the case? Well, maybe it is, but whatever the circumstances, more moola now must be forthcoming for celebrating the New Year.

They say you can't get blood out of a turnip. However, the lad who concocted that little bit of alleged sagacity should be round now to reveal how the average parents will be able to stage a frolic for the whole works on Saturday night.

In any case, it is our humble opinion that pa and ma merit a warm word of praise for how they surmount this very difficult time every year, especially because the two big events fairly come together, you may say.

Moreover, it is a profound wonder that they accept these overwhelming obligations with such grace, yes, high spirits. For, as we asserted at the start, just about everyone we met said, "It was a fine Christmas."

Speaking of the Yule, we wish to say a word on behalf of Arnold Panella, insurance man. We learned he was the guiding hand behind the Lions Club drive to obtain toys for a number of unfortunate children.

From those in the know, we were informed that he worked tirelessly to bring a ray of sunshine to 35 tikes that otherwise might spend a bleak and chilly Noel. As a result, they know there is a Santa Claus.

Now to get down to more mundane matters, the question of parking meters along the main stem is causing considerable palaver in certain circles. Will they accomplish the avowed purpose?

There isn't the slightest murmur

(Continued on Page 2)

Robert Klassen Wants Full Fee

Robert Klassen, Daly City's engineer, this week said he would file a suit in superior court to collect a $14,000 fee he claims is due him from San Carlos.

Earlier the council agreed to pay 80 per cent of this sum for engineering work he did on the new San Carlos - Belmont sewage disposal plant.

"They have chiseled me on other matters, but this is the finish," Klassen said.

He claims San Carlos owes him for more than four years of work on the disposal system.

46 SAY "NO" TO EXTENSION PLAN

Moving into the field of action, H. H. Smith Monday presented a petition to the city council requesting abandonment of a plan to connect Wellington with Hillside.

The petition was assertedly signed by 46 merchants and residents on the top of "the hill."

Mayor Paul Green referred the petition, and an accompanying letter from the former Daly City mayor, to the city street committee. The committee will study the petition and make a report on its findings at some future council meeting.

Presently, the city is working on condemnation proceedings against three-quarters of an acre of Smith's property, known as the "quarry," between Hillside and Wellington. At some future date the city hopes to acquire title to this land so as to connect the two streets via Brunswick.

Smith has fought the plan since it was instigated several months ago. And in various open letters to the "Record," he has called for a bus terminal at Los Olivos avenue near Santa Barbara.

The petition signers not only asked for the abandonment of the city's project, but, going along with Smith, asked the city to consider his plan for a bus terminal.

Following is the preamble to the petition:

"We the undersigned . . . hereby request you to abandon the plan of extending Brunswick street through the former quarry property from Wellington avenue to Hillside boulevard, and carry out the plan of providing a bus terminal, parking area etc., as printed in the "Daly City Record" of December 2 (referring to Smith's letter)."

In a hasty check of the petition, Mayor Green said he could find but nine merchants' names listed.

The letter accompanying the petition, which was written by Smith, said in part:

"Enclosed is a petition signed by merchants in the main business section of our city.

"That the request as expressed therein can be considered to be in keeping with the wishes of the people in general as well as indicative of public opinion in respect to your proposal to extend Brunswick street through to Hillside boulevard is indicated by the fact that all but one to whom the petition was presented signed it not only willingly, but seemingly eagerly.

". . . not one signer was in favor of the plan of running the buses around over the proposed Brunswick street extension through the quarry property."

HAPPY
NEW
YEAR

Daly City Enjoys Biggest Building Boom In History

With 548 homes either under construction or completed in Westlake, Daly City during 1949 had the biggest building boom in its history.

Although final figures won't be in until December 31, at present close to five million dollars worth of construction during 1949 has been reported.

This is double the amount for 1948, and more than three times greater than in 1947.

To date the total valuation of Daly City building stands at $4,876,444. Last year this figure was $2,435,732; 1947, $1,570,652, and in 1946 a mere $1,058,940.

It can be seen that Henry Doelger's project accounted for most of the home building, as outside of the Weslake area, less than 50 homes were started here.

Commercial building during 1949 accounted for $404,175.

Meanwhile, this week the following persons were granted building permits:

William Nadell, to put up two homes at 160 and 164 Hillcrest drive, $14,000.

San Francisco Auto Court, 6925 Mission, five units for the court, $12,000.

Ricco Lagomarsino, 109 Westlake, a home at $7,700 and another $7,700 house at 41 Knowles.

Henry Erickson, 209 Peoria, $6,500 house.

Horse Loses Life To Horsepower

A horse has no chance against the horsepower under a hood, as witnessed by a collision on Highway No. 1 last Thursday.

When the horse and automobile collided the following happened:

The horse, rented from the Mission Riding Academy, Colma, was killed.

Driver of the automobile, Richard Andrews, 2059 San Jose avenue, was hospitalized with abrasions and cuts of his face, chest, and hands. He was later released from Junipero Serra hospital.

Diane Hebert, 16, 56 Santa Barbara, a passenger in the car, also suffered minor cuts and bruises. She was treated at Junipero Serra hospital.

The car was towed into the Daly City Garage, where it was judged "almost a total wreck."

As police explain it, Lewis Grandonna, 529 Linden street, San Bruno was riding the horse near the highway about three-quarters of a mile west of Junipero Serra. The time was 8:35 Thursday evening.

Suddenly the horse threw Grandonna and dashed out onto the highway. Andrews told officers he was looking at another horse, and did not see the Grandonna animal until it was almost on top of his car.

All Invited To D. C. Rod And Gun Club New Year's Dance

Costumes of the '49ers will replace the conventional evening dress at the Daly City Rod and Gun Club New Year's dance December 31.

Jimmy Fox, dance chairman, made this announcement today as he invited one and all to attend the event. It will be held, beginning at 9 p.m., in the George Washington Masonic Hall, San Jose and San Juan avenues, San Francisco.

Although sponsored by the Daly City Rod and Gun Club, the public is invited to attend the dance and evening of entertainment. Tickets, at a reasonable price, may be had by calling Fox at DElaware 3-7222 or by contacting Eddie Nenstiel, Daly City Hardware.

Fox advised all to make their reservations early, as there are a limited number of tickets.

And just what will the purchase of a ducat mean? In the dancing field there will be the Daly City Cowboys furnishing the music. In entertainment, all those attending will be given free eats, hats, horns and other novelties.

Everyone is invited to attend in casual sports clothes or western outfits. There is to be a prize for the best-dressed '49er couple.

"If you're looking for an enjoyable evening away from the high prices and crowds, be sure to attend this dance," Fox said.

Dancing will begin at 9 p.m. and Fox promises it will continue until 2 a.m., or until no one (for various reasons) can dance any longer.

Death Overlooks Daly City In Xmas Automobile Wrecks

Execept for two minor wrecks, Daly City had a clean slate in motor vehicle accidents over the Christmas holidays.

A pickup truck and sedan collided at 11:15 a.m. Friday at the intersection of Highway No. 1 and Junipero Serra boulevard. When the "smoke" had cleared away it was found that both vehicles would need repairs on their left and right sides, respectively.

No one was injured in this accident. However, the driver of the sedan, Mrs. Irene May Landolt, 33, Sharp Park, was cited by police for drunk driving. Dominick Russon, 43, 1774 28th avenue, was the driver of the pickup truck.

The second week-end accident occurred at 9:25 p.m. Friday evening when a car driven by Dorothy MacArthur, 35, 614 Candlestick road, collided with the rear end of a vehicle driven by Frank Sylvestri, 28, 211 Brighton. Sylvestri's car will need some repair work done on the rear end, but the MacArthur vehicle escaped damage.

Joe Teller Faces New Murder Count In Breslauer Case

Facing a new charge of murder as an accessory after the fact is Joe Teller, 30, San Francisco, whose brother Roy, 26, is accused of killing Daly City bookie Martin Breslauer.

The charge was filed against Teller by District Attorney Louis B. Dematteis Wednesday. In another surprise move, Carl Hahn, 41, San Francisco, was charged with fencing goods for the gang in the Breslauer case. Hahn operates a tavern at 1501 Silver avenue.

Joe Teller was implicated for allegedly burning a jacket his brother wore when he assertedly shot Breslauer September 29. Earlier a grand jury failed to indict Joe for murder, although Dematteis had called him the "strong man" of the gang.

Dematteis also said that there was reason to believe that Joe, either personally or through an agent, delivered to the fingerman in the killing his share of the $2,800 taken from Breslauer.

Glenn McMains, who earlier turned state's evidence, has named Cecil Alves as the fingerman. Alves is still being sought by officers in southern California and Mexico.

Joe and Hahn were jailed in San Francisco Wednesday. The case of Joe Teller probably will be tried in San Francisco, as Deputy District Attorney Thomas C. Lynch said he expects to present the case to the San Francisco County grand

(Continued on Page 2)

See A Stranger? Call Your Daly City Police Department

Police today asked the cooperation of every citizen in this area to track down the burglars and robbers who have been raising havoc here.

Chief W. W. Sunderland requested that each citizen report the presence of any stranger he or she sees in the neighborhood. This may be done by immediately calling the police department at JUniper 5-4212.

Upon the receipt of this information an officer will be dispatched to question the stranger.

"This, we realize, is going to mean much more work for our department," Sunderland said, "but if everyone cooperates we may put an end to many of the crimes in this area."

He also pointed out, if the word gets around among the underworld that a thief is a stranger in town he is as good as in the city jail, a good number of the current burglarieswill be stopped.

Sunderland noted that all reports will be kept confidential, and names of persons reporting the stranger will not be revealed.

Philosophy Store Robbed Of $70 Christmas Eve

In a daring Christmas Eve robbery, two young, nervous hoodlums, armed with a .38 calibre revolver, bound proprietor Nickolas Shola and escaped with $70 from the Philosophy Grocery, 31 Hillcrest drive.

Although today police have several suspects, they have not been able to identify the robbers, who they believe were about 18 and 20 years old.

The robbery took place at 10:10 p.m. Saturday night, just as Shola was preparing to lock up the store for the holidays. As he was sweeping the floor in the empty market, the teen-agers entered. One was about 5 feet 8 inches, around 20 years old, and wore a leather jacket. Apparently fearing regognition, he kept his head down and pretended to adjust a pair of green glasses.

The other robber, about 18 years old, came up to Shola and barked "Come along, Pop, to the back."

He then pulled a nickle-plated .38 calibre revolver from his tweed overcoat pocket. Flourishing the gun, he directed Shola to the back of the store.

Then, visibly shaking, he told Shola to face the wall and place his hands behind him. Evidently replacing the gun in his pocket, the young thief took out a roll of adhesive tape and taped Shola's wrists together.

When this operation was completed, he ordered Shola into the latrine, and told him to get down on his knees. Using the rest of the tape, he bound his ankles and slapped a piece of tape over Shola's mouth.

As he backed out of the latrine, the thug cried:

"Don't holler, or I'll let you have this .38."

While Shola was being tied, the bespectacled other thief had gone behind the counter, jerked a bag down from one of the shelves, and emptied $70 in change from the cash register into the bag.

As the two thugs left the store, Shola heard one of them say to the other:

"Come on, Bob, let's go."

Just 10 minutes after the theft, Shola managed to work himself loose. He rushed to the Daly City Garage next door, and Cliff Pettigrew called the police.

Big Bear Lumber Safe Recovered

Back in the office of the Big Bear Lumber Co., 1625 Junipero Serra boulevard, today is the safe stolen from that organization Tuesday, December 20.

The small iron box, its door jimmied off, was found Monday in a ditch off Christian road behind the Chinese cemetery. Nothing had been taken, and the company reports it is now able to resume business with the important books and papers that had been locked in the safe. No money was in the box when stolen.

While looking for junk, Edward C. Juntensen, 758 Harrison street, San Francisco, spotted the safe. The thugs had evidently opened it, and finding nothing, had thrown it into the ditch.

Police still are looking for the two cases of whiskey stolen from the office.

THE WINNER --- COMPANY NO. 4, DALY CITY FIRE DEPT.

For this cleverly decorated firehouse, the fire laddies of Company No. 4 last week won $25 as first prize for the best "dressed" firehouse in Daly City. They also took the coveted Chief's trophy. Although hose hoisters in the other three houses worked just as hard and long, the boys from No. 4, under the supervision of Captain Fred Mather, had a slight edge. The firehouse, located at Roosevelt and Peoria streets, will be on display until January 1.

Lions Spread Joy On Xmas With Toys For Needy Children

Thanks to the efforts of the Daly City Lions Club, 35 children here were made happier this Christmas.

For a month preceding the big day, Lions Club members collected toys from various residents. The toys, in turn, were reconditioned by the Lions and given to the less fortunate young ones in the community.

Also giving a helping hand was the Daly City-Colma Vista Grande Aerie No. 1848, FOE. This organization contributed small packages containing candy and toys.

Last Saturday, Santa Claus, in the stuffed person of Mel Battye, climbed aboard the Lions truck (made possible by Bob Anderson) and distributed the gifts to eight families in the Daly City area.

Also giving a helping hand were Elio Fontana, Arnold Panella, Hal Willis and Jim Donahue.

"As president of the Lions Club I wish to thank all those generous people who gave toys and other gifts to this drive. I only hope that next year we may do twice as well," Fontana said.

Peterson To Seek Supervisor Job Next Year

County Executive Frederick Peterson announced this week that he will be a candidate for supervisor from the Fifth (Burlingame-Millbrae) district at the June 6 primary.

In making this decision Peterson will be opposing a one-time ally, Supervisor Edward R. McDonald of Burlingame. Peterson broke three years ago with McDonald over "policy."

At the present time Peterson is finishing his last lame-duck session as executive. His post, formerly elective, will be open for appointment by the board of supervisors in January 1951, under a charter amendment apporved by the county's electors in 1948.

Near 70, Peterson has been a successful political candidate since 1924. His only lost battle was in 1948 when he lost his fight to defeat the amendment that will throw him out of a job in 1951.

In announcing his candidacy, Peterson said he was not attempting to have voters pass an amendment to make the supervisors elected by district. Presently supervisors are lected by the county-at-large.

This has brought a number of "complaints particularly from the Daly City area" that the northern end of the county is not being represented, Peterson noted.

Peterson also said there was nothing "personal" in his decision to oppose McDonald, who once was his staunch ally on the board.

Appointed by Governor Warren to a board vacancy, McDonald, and Supervisor Martin A. Poss, will be up for election next year.

McDonald openly broke with

CITY COUNCIL MEETING

Concordia Land Owners Reject $2,500 Offer From Theatre For Street Use

Rejecting an offer from the Starlight Theatre chain of $2,500, residents of the Concordia land district Monday night tentatively agreed to go ahead with an assessment district.

Thus, after three public hearings, the issue of whether or not the outdoor theatre is to help pay for the paving of streets, including Edgemar and Lowell, still is not settled.

The theatre, to be completed in the spring of 1950, must use Edgemar and Lowell for exits and entrances. Residents in this area have requested that the San Francisco theatre chain help pay for the assessment district to put in streets, sewers and sidewalks. Earlier they asked for approximately $10,000 from the chain.

The $2,500 was as high as the theatre would go toward this request.

Asserting that actually the assessment district and the problem of sharing costs with the theatre are two different things, Mayor Paul Green requested the people to go ahead with the district. After the streets have been put in, and the theatre people ask to break curbs to use the streets in question, then the whole problem can be brought up for further discussion, Mayor Green said.

Although visibly disgruntled by this conclusion, those present Monday night agreed that the city should proceed with the district.

Mayor Green indicated that at the next meeting of the council a resolution would be introduced to form the district.

During the discussion, one of the land owners, O. J. Spelman, requested that the city give the Concordia group some assurance they would be consulted at the time the theatre asks the city for the use of the yet to be built sewers, water mains, and streets.

"I can assure you at that time we will hold another hearing. All of you will be notified. Then we will hear both sides of the case and reach some decision," Mayor Green stated.

The mayor repeated that until every angle of the question had been heard, he could not decide if, or how much, the theatre would have to pay toward the assessment district.

Speaking for himself, Councilman Mel Battye said he would always object to the theatre using the streets, or at least until such time as they had satisfied the people in the Concordia district.

Councilmen Edward Mooney and Fred Bertetta were not present. Councilman A. J. Gaggero at an earlier meeting declared he would have to hear both sides before reaching a conclusion.

Other business before the council consisted of:

Introducing an ordinance to create the post of admisinstrative officer. As reported in the "Record" the officer will replace the city manager position created earlier.

Introducing an ordinance to place the garage mechanic and

(Continued on Page 2)

"Sox" Burglar Returns To D. C. For Christmas

That man, the notorious "sox" burglar, was back in Daly City last Friday night; and this time he got $270 in personal property from the home of Joseph Schenone, 562 Niantic avenue.

Operating on the pattern so well known to Peninsula police, the thief used four pair of stockings to cover his hands and obliterate possible fingerprints while looting the Schenone home. Police report the sox were found throughout the house.

Again, the theif struck during the day, this time between 7:30 a.m. and 7:30 p.m. Again he gained entrance to the house by breaking a small pane of glass on a window overlooking the front porch, reaching through, opening the lock, and pushing up the window.

However, unlike other burglaries, this time he ransacked the whole house, not just the bedrooms. In the "spirit" of Christmas he also managed to open all the packages under the Schenone tree. But the only gift he took was a $20 man's leather jacket.

Turing everything upside down, from drawers to chairs, the thug got the following:

A man's wedding band, valued at $20, a lady's wrist watch, $35; another lady's wrist watch, $60; a lady's diamond ring, $30. All of these items were taken from a bureau drawer.

Going to the kitchen, the thief lifted a man's wrist watch, valued at $75. He also didn't miss a .22 calibre rifle, sold at $25, under a couch; nor a clip of bullets for the rifle in one of the closets.

While police are not certain whether or not this is the same "sox" burglar that has raised such havoc here and on the Peninsula, all signs would point to such a conclusion.

Heart Attack, Not Bullets Kills Boy Swimming Near D.C.

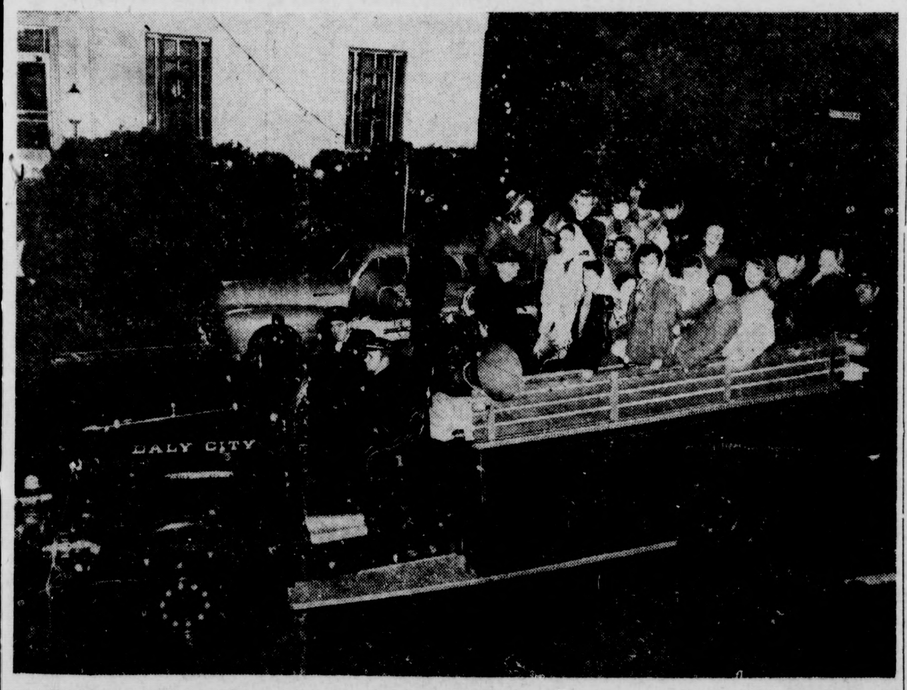
Death took a 15-year-old San Francisco boy via a heart attack, not bullets, as he swam in a reservoir southeast of Daly City Wednesday.

This was the decision today of Dr. Lawler Drees after he'd examined the body of Isaac Williams, 209 Polesti street.

"The boy had an enlarged heart, and possibly when he hit the cold

(Continued on Page 2)

HARK, THE FIRE ENGINE CAROLLERS SING



Boarding the fire engine of Company No. 1 last Thursday night, young Daly City ladies sang out the glories of Christmas. The truck, and the beauteous voices of the beauties, traveled throughout Daly City, Broadmoor and Westlake spreading the Christmas spirit. Behind the wheel of the red wagon is Mel Hansen. Next to him is Tom Joyce, chairman of the event. Playing the violin is Anthony C. King, 131 Sears street, San Francisco. Although you can't see them, the two Bertetta boys are playing accordions behind King. Hanging on to the rear of the engine is that old fire horse, and captain of Firehouse No. 4, Fred Mather.

What Is a "Temporary" Government Expenditure?

Two distinguished economists, Beardsley Ruml and J. Cameron Thomson, recently appeared before a Congressional subcommittee to discuss some of the fiscal problems of the government. They finally spoke of the difference between permanent and temporary Federal obligation and expenditures.

At this juncture, Senator Douglas asked, "Do you really know of any item in the budget which can seriously be called temporary and nonrecurrent?" As one reporter said, "The witnesses couldn't think of any — except a fighting war. In all other cases the government, when it starts spending money on a so-called emergency, keeps right on spending."

Here is one of the reasons why, in spite of incredibly large federal revenues and back-breaking taxes we are still running a deficit. As the Hoover committee reports pointed out, factually and in detail, the government is literally honeycombed with duplicating, overlapping, and unnecessary bureaus. Dozens of agencies — each with its own expensive staffs and all the other paraphernalia of bureaucracy —are working in almost identical fields. The Hoover reports indicate that we can cut the cost of the government at least $3,000,000,000 a year without harming any essential function in any way. Some believe the saving could be much greater.

Every department head cries to high heaven when it is suggested that his appropriation be even moderately reduced. Civic organizations and local business men are equally bad offenders in many cases when it is proposed that a cut be made in some activity that would benefit them at the expense of the rest of us. Only a change in this sorry attitude can bring about economical, efficient government.

HAPPY ENDING

The world loves love and it loves courage, too. The mother who fought through a whole year to win the exoneration of her son on theft charges and his reinstatement to the Maritime Academy at Vallejo in California's "Winslow Boy" case certainly had plenty of both. One couldn't ask for a more fitting climax to the case than that which took place.

The lad's acquittal and restoration to duty is particularly refreshing in these days when justice is too often frustrated or is so long delayed as to be virtually meaningless when it comes. The affair points to a need for a change in the system at the Maritime Academy so that no one could be dismissed in the future without adequate opportunity to defend himself. Without an exceptionally brave and determined mother a boy would have been unjustly stigmatized all the rest of his life. The danger of such injustice in the future should be made impossible.

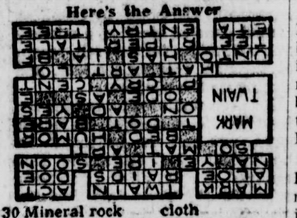
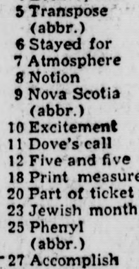
Here's the Answer





SO WHAT

(Continued from Page 1)

against the contention that the city needs all of the additional revenue it can collect. However, what about the effect the meters would have on the merchants? After all, they are the key factors in our township.

It is believed by well informed persons that the parking gadgets would prove more than inconvenient to prospective customers. As a consequence, the latter might go elsewhere, or shopping centers without meters.

There are several explanations for this view, but the predominant one has to do with the old debbil budget. There isn't any question but all housewives are counting the pennies these days, and if they stop to total up what it will cost to park for a week and then for a month, well, the answer will spell trouble, at least.

Then again, small purchases would be all but eliminated, according to our informants. They explain that the extra pennies for the meter would make the cost of inexpensive articles prohibitive.

Without going any further, it is plain to see that the question of parking meters requires plenty of study before any action is taken. You know, a little missionary work among the family purchasers might be most revealing. . .

Next, it so happens we were allowed a sneak preview of the new Chrysler products, scheduled to hit our town next week, and let us tell you that the 1950 cars are something to behold. The company asserts that their automobiles are different than all the others, and well may they make that claim.

That applies all down the line, including the Chrysler, Dodges, De Sotos, and Plymouths. If you recall, the company has pioneered a number of eye catching innovations in the past, and they have repeated in the 1950s, in our estimation.

Have you ever stopped to wonder what a nightmarish task it must be to dig up new and novel creations in regard to automobiles. Why, one might think that the imagination has run dry when it comes to something different, but that is not the case at all.

Right now, there are any number of new plans on the desks of all the big manufacturers that will receive due consideration for not only now, but in the years ahead. More, by this time nevt year, there will be still others worthy of inclusion.

But to get back to the Chrysler products, keep your eye on the Record's columns fo rthe date and place, when and where, the new cars will be on view. We are sure that a once over will prove interesting, to say the least.

License Renewals At Daly City Bank

As a supplementary service, the Department of Motor Vehicles will handle straight passenger car registration renewals on potential registration cards at the Daly City branch of Bank of America during the renewal period, January 3 to February 4.

Director of Motor Vehicles A. H. Henderson said this service during regular banking hours is offered in addition to the regular complete registration renewal service provided at the department's branch offices and by mobile crews.

Mailing of passenger vehicle potential registration cards started December 15. If a registered owner does not receive his potential registration card by January 15, Henderson said, he should use his 1949 white slip as a renewal application.

In applying for renewal at branch banks, both copies of the potential registration card must be presented. The applicant should present cash, cashier's check, certified check or money order in payment of fees. Personal checks are not acceptable.

The applicant should make certain that his potential registration card describe a vehicle he still owns.

Ready for the Plunge

City Council

(Continued from Page 1)

building inspector in classified service.

The poundmaster was given a $20 a month wage increase from $240 to $260.

As Hancock Oil Co. made the lowest bid for the city's gas business, 19 cents a gallon, this company was given the contract for the coming year.

Taxes on certain property, recently acquired by the school district, were cancelled. The taxes amounted to a little less than $8.

The L. C. Smith request for a 45 day extension of street work in the Garden Valley project was held in abeyance until the contract is up February 6. Mayor Green reported that the city engineer believes this work should be completed by that date.

The Columbia breed of sheep was developed as an outgrowth of federally - supported experimental work.

Peterson To Seek

(Continued from Page 1)

Peterson over the latter's alleged failure to cooperate with the supervisors.

Over 20 years ago Peterson's political life began, when as a resident of Burlingame, he was elected to the city council. He later served in Sacramento for four years as county state assemblyman.

Joe Teller Faces

(Continued from Page 1)

jury tonight, December 29.

Burglary charges against the Teller brothers, McMains, and Alves are still being investigated.

Meanwhile, Roy Teller and John "Midge" Ruano, two of the men charged with Breslauer's murder, pleaded not guilty before San Mateo county Superior Judge Aylett R. Cotton Wednesday.

McMains, who will be defended by Attorney Gerard Wagstaffe of Redwood City, was arraigned before Judge Cotton also on a murder charge. He was granted a week's continuance before pleading.

Heart Attack

(Continued from Page 1)

water that killed him," Dr. Drees reported.

Wednesday afternoon, 11 youngsters told a breathless story of hearing shots as they were swimming in a 100-yard-long reservoir on the Crocker estate.

One of the boys, and a companion of Williams, Sam Wood, 16, told police that four shots were fired upon them as they were swimming. Wood said the shots came from a clump of bushes overlooking the reservoir.

The dead boy's companions claim that the shots so frightened Williams that he drowned. Earlier they had claimed Williams was killed by one of the bullets.

When Williams went down, the boys rushed to police and told their story. It wasn't until seven hours later that the boy's body was found in the reservoir.

Wood claimed that one of the four shots almost hit him, as he was trying to save Williams.

A closer examination of the boy's stories seems to indicate that they might have heard shots off in the hills, police said. Officers think the boys became frightened when Williams went down, and connected the shots with his drowning.

However, police are not discounting the entire story, and believe shots may have been fired near the swimming boys.

Chief W. W. Sunderland said the case was outside of his jurisdiction, but two boys who were believed to have been shooting in the area at the time of the accident, were to be questioned today. He did not name the boys.

Remember-Winter is mighty long, too

Daly City Boys Club Nine Look Back At Full Year

By Angelo Craviotto

Yes, the end of the year of 1949 brings the end of the Daly City Boys Clubs' long baseball season.

They slipped on their uniforms early in March. They traveled from the sand-swept fields of Tiborne to the warm shores of Santa Cruz. As winter comes, and the rain hits the window panes, they will look out and have memories of 40 weeks of the national sport.

These memories include the great battle which took place at Fort Baker when a highly regarded Army double A team was almost defeated by the Daly City Boys Club. They came from behind in the sixth inning only to have it tied in the ninth, and the lads lost six to five in the tenth inning.

Also to be remembered is a game with the San Francisco Indians where Manager Al Davis pulled a rabbit out of his hat. With the bases loaded, they pulled a squeeze play to empty the bases.

And remember Tiborne, where in the ninth inning, with the score six to two against them, the DCBC froze the Tiborne fans to their seats to score four runs with two outs, and have another overtime battle.

The boys won few, lost many, but were never regarded out of a ball game by their opponents for they had a reputation of a team that might explode at any time. Inexperience proved to be their biggest setback. But now I believe they have about mastered their faults and will play winning baseball in 1950.

My pick for the outstanding player of the club is Charles Danley Jr., pitcher, who was very effective on the mound.

In the hitting department, Angelo Craviotto (name sounds familiar), shortstop, finished on top of the heap in summer with a fat .348. However, in the winter he was runner-up to eGorge McLeod, first base, who finished with a hot .350.

Out in the green pastures, the star shone on Pete Stone, who played great defensive ball. Mention should go to the man who tried for his hardest in every game. That was Jack Cooper, speedy first baseman.

In the 40 weeks of playing, the DCBC ball club members were becked by the new organization of the Daly City Boys Club and manged by Al Davis and Charles Donby Sr.

We all wish to express our thanks to them for giving their time and patience so we could enter in organized semi-pro competition. They shared our sorrows and our happiness on that long bumpy road.

Also we wish to thank the fans who traveled with us to the games.

The club will lose only about two players in 1950, these being the boys who will pass the age limit.

The players who fought it out this year include Charles Donley Jr., Jim Hatchel, Aldo Canepa, Ed Galindo, George McLeod, John Spinetti, Bob Kalinin, Angelo Craviotto, Pete Delfino, Pete Stone, Alex Sola, Art Rud, Mario Lener, Jack Cooper and Jack Sheehan.

SPORTS

Jeff High Indians

From Milton
TROMBORG'S TEPEE

JEFF VARSITY STARTS PRACTICE

Although school does not reopen until January 3, the Jefferson High varsity basketball team, under the coaching of Mike Orlich, is holding practice this week, to be in shape for the league opener.

So far this year, the Indians have met two teams on their home court, and both of these teams went home with victories over the Indians.

In the first game, the Indians were outplayed and outclassed, and lost to Tamalpais High 54 to 34.

Again the Indians met defeat, but not in shame, for they lost by two points to Reardon High, of San Francisco, in an overtime.

Regardless of these two defeats, the Indians are a greatly improved basketball team.

As far as I can remember, the Jeff Indians have never had a good varsity basketball team, and this goes back four or five years.

Jeff always seems to bring out good lightweights, but as soon as they get up to the varsity, the boys don't produce against the other schools in the P.A.L.

The other teams in the P.A.L. use a fast-breaking offense and defense, while Jeff always has to use more o fa zone defense.

You have to take into consideration that the other schools in the P.A.L. like Sequoia, Palo Alto, and San Jose have a good turnout of boys to pick their team from, while Jeff has to depend upon the same team each year.

Some of you readers may wonder who this coach is. Mike Orlich played his basketball (and also football) at the University of Minnesota in 1932.

Orlich knows a lot about basketball and he has improved the varsity 100 per cent.

Coach Orlich took over the 10s and 20s basketball team two years ago, and in that time, he brought the 20s up from last place in the league to second place this year.

Tell me that a coach does not have much to do with a team. I'll say this, a coach is the backbone of any team, and Orlich is the backbone of the varsity. He does everything but go on the court and play the game himself.

I would be wrong in saying that the varsity will lose every game this year, for I know that they will come out on the winning side some time during the 1950 season.

Two Thrill Packed Basketball Games Scheduled In Night League Tuesday

By Milton Tromborg

Union Liquors, with two wins, and Tromborg Plumbers, standing with one win and one defeat, open the Jeff High Night Basketball league again January 3.

The Union Liquors quintet is one of the strongest teams in the league, next to the Colma Boys Club and Veteran's Inn. Therefore, when they take on the Plumbers, they should rack up their third straight win.

But don't discount the Plumbers. They have improved since the league started a few weeks ago, and yet may be contenders for league honors.

Another strong team is the Colma Boys Club. Last week, via a new ruling, they took the Veteran's Inn in the last minute of play by 49 to 48.

The new ruling allows, in the last two minutes of play, any team that gets a chance at a foul shot to make that shot from the middle of the court.

Neville Motors has a fairly good ball club, and they can beat some of the aforesaid teams.

There we have the quintets in the games this Tuesday: Union Liquor vs. Tromborg Plumbing at 7:30 p.m. and Neville Motors vs. Veteran's Inn at 8:30 p.m.

Remember, all games are free to the public, and the players welcome a good attendance in the Jeff high gym.

Thursday of next week we have Consolidated Schools taking on the Daly City Boys Club.

One of the best games coming up will be the tussle between the Colma Boys Club and the Union Liquors. This game will be played January 24.

If you want to see some good basketball in your own town, come down to the Jefferson gym. All games are played on Tuesday and Thursday nights for the next five weeks.

Happy New Year To All!

THE DAYS of OUR YEARS
From the dawn of human intelligence to the present, man has divided the day into measured periods. This interest in time is a natural development, because time is the essence of human life.
At first, the passing of days was marked by the sun, moon, and stars. Then man invented mechanical timekeepers — the sun dial, the hour glass, the first crude clock. Eventually our present highly-perfected time keeping system was evolved.
Because man's life is measured in hours and days and years, it is important that he put into each of these, the greatest amount of good he can; for life passes swiftly.
Religion teaches a man to lead a good life, to worship God and serve his fellow man. Go to Church and make the Bible your daily guide. It will help you make the most of the days of your life.
HOLY BIBLE
THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

DALY CITY—COLMA

There was a short entertaining meeting for all those Lions who attended the regular luncheon period Wednesday.

Although no guest speaker was present, the lads managed to entertain themselves by swapping stories.

Theme of the tales was "Where Were You on Christmas While With the Armed Services?"

As the majority of the Lions had the fortune, or misfortune to go overseas, many of the stories were both interesting and amusing.

Especially was this true of the boys who fought out the battles in France, both in and out of Paris. One gentleman, we dare not print his name, told of an adventure with a pert Miss that might be of interest to his wife.

On the whole, however, the tales concerned themselves with the rougher side of war.

The vets of the two World Wars had a great time comparing their relative troubles while serving on Christmas day.

Xmas Parties Held By FOE Auxiliary

Several Christmas parties were given last week by the ladies of the Colma Vista Grande Aerie No. 1848 Auxiliary, FOE.

At the annual party, held after the regular meeting, gifts were exchanged among the secret pals. The tables were decorated with Christmas trees and refreshments were served.

The children's Christmas party was a grand success, with many children made happy by the lovely gifts and candy they received.

Meanwhile, seven new members were initiated in to the group recently. The new members were presented with Christmas corsages.

Those who were initiated include Mesdames Edna Ditty, Laura McKenzie, Helen Klingaman, Sylvia Palmer, Mattie Palmer, Helen Levensaler, Francis Ferry, Josephine Cordova and Hazel Heath.

Meanwhile, all members are asked to remember that the Sewing club meets Tuesday at the home of Mrs. Mary Vobril, 3 Muirwood drive. The meeting begins at 1:30 p.m.

Another meeting to keep in mind is the whist party Wednesday. As usual it will be held in the Daly City Masonic hall, 17 Hillcrest drive, beginning at 8:30 p.m.

And for New Year's, the Eagles Auxiliary and their invited guests have planned a party in the Eagles hall.

Happy Birthday!

Having a good reason for a double celebration this week end are those lucky few who have birthdays next week.

To all of them Harry, the "happy baker," wishes the best of everything, and hopes they will find the new year most profitable.

December 30: Mrs. John Newton, 229 F street; Brent Rusert, Rt. 1, Box 11-C, Colma.

December 31: Bob Blue, 100 N. Fairway; Bill Kahle, Rt. 1, Box 10, Colma; Christina Coleman, 1039 Folger.

January 1: J. Stanghellini, 147 Mateo avenue.

January 2: Helen F. Bjorklund, Box 254, Rt. 1, Colma; Lelia Hanson, 407 Santa Barbara.

January 3: Tommy Fahey, 243 Station.

January 4: Irene Ford, 100 N. Fairway; Thora Hall, Box 451, Colma.

VFW And Auxiliary Entertain Vets In Hospitals

Busy with holiday activities over the past few days have been the members of the Old Glory Auxiliary No. 2044, VFW.

Recently, several members went to Palo Alto to help prepare packages for the veterans in the hospital there. All and all, they helped wrap some 800 packages. Assisting in this were Mary Conti, Ethel Dorn, Marjorie Johnson and Clara Poket.

Following these activities, the ladies were hostesses at the hospital for Ward 11. Also assisting in helping the boys to enjoy Christmas were members of the Old Glory Post, VFW.

Those who gave their time to this activity were Ethel Dorn, Bonnie Ellenwood, R. Boulez, Clara Poket, Frances Poket and Eleanor Sirex. Men attending were Cliff Wiley, Roy Brulez, Walter Dorn, Franklin Ny and Alex Alburtus.

On Friday evening the Post and the Auxiliary held a joint Christmas party in Little Italy Hall. Here a Santa Claus distributed gifts to the children and members. Post Commander W. J. Sweeney managed to bring enough miniature cars to be passed out to each youngster at the party.

OLPH Mothers' Club To Hold First Whist Game Of 1950, Jan 3

Looking forward to a bigger and better New Year, the Our Lady of Perpetual Help Mothers' Club will hold a whist party this Tuesday, January 3.

In this first game of 1950, the fourth grade mothers of OLPH will be in charge of activities.

As usual the game will be played in the OLPH school auditorium, 80 Wellington. It will get underway at 1:30 p.m.

Everyone is invited to attend, regardless of any affiliation with the Mothers' Club.

WELCOME

SOCIETY

Come To Grace Church Dec. 31

The Grace Church of the Nazarene, Santa Barbara and Vista Grande avenue, will have a "Watch-Night" service on Saturday night, December 31.

Refreshments and a time of fellowship will be held in the church recreation hall starting at 8 p.m. At 11 p.m. a service will be held in the main church auditorium.

John A. Nicholson, pastor of the Nazarene church, has planned an interesting program and invites the public to come a any time during the evening.

Dale Irish Takes Barbara Miller As His Bride

Married in the Grace Presbyterian Church last Thursday were Barbara Jean Miller and Dale Irish.

The bride is the daughter of Mrs. Geraldine Allen, 27 Hillcrest drive, and the benedict's parents are Mr. and Mrs. Irish of Moab, Utah.

For her 7 o'clock nuptials, Barbara chose a pale blue suit and hat with black accessories. In her bouquet the bride carried two dozen red roses. Keeping with tradition of something old, Barbara carried her great grandmother's wedding gloves.

Barbara's only attendant was Gail Goldsworthy. She appeared in a blue suit and carried a bouquet of talisman roses.

Richard Yeagle of San Francisco, and a member of the U. S. Navy, served as best man.

Mrs. Miller wore a black dress and an orchid corsage.

The reception was held in the home of the bride's aunt, Mrs. Alec Storm, 77 Arleta, San Francisco. Special guests at the reception were Mr. and Mrs. Harry Siegeison, Mr. and Mrs. Edgar Roy, Margaret Heaton, Mrs. Emil Bertelli, Joe deLeon, Dan Bertelli, Charlyne Holiday and Val Lenconi.

The newlyweds departed for Moab, Utah, on their honeymoon. Here they will visit the parents of the groom, who were unable to attend the wedding. When they return, they will live in Long Beach.

Barbara is a graduate of Jefferson High school, and well known in Daly City. The groom studied in Utah schools and is presently serving with the Navy.

Jeff High Night School Opens Soon

Classes for adults will re-open at Jefferson Union High School Tuesday, January 3.

Art metal, sewing and typing were given before the holidays but new students may enroll any evening.

English for foreign born is a new class to open on Thursday, January 5. This class is given at the request of several residents who were born in other countries and wish to learn English so they can become citizens.

The school requests that everyone tell any person they know who might be interested in this class.

Classes meet from 7 p.m. to 9 p.m. Tuesday and Thursday. The class in English for foreign born will meet in room 10.

Colma, Broadmoor, Garden Village News Wanted For "Record"

This section of the "Daly City Record" is especially for those people living in the Colma, Broadmoor, and Garden Village areas. We wish to print news of your neighbors, but we need your help. Part time news writers are needed from these areas. In addition anyone with news of births, weddings, clubs, and so on in these areas can have items printed in this section. Anyone interested in sending in news is asked to contact the "Daly City Record" at 3317 San Jose avenue, Daly City, or phone JUniper 5-3215.

Crocker PTA Looks Back On Weeks Of Holiday Joy

By way of tracing the activities of the Crocker PTA over the past few holiday weeks, here are some of the major events of importance:

The group held its regular meeting December 13 at the General Pershing school. After the business session, the meeting was turned over to the program committee.

Members enjoyed a Christmas program given by the Crocker orchestra under the direction of Mrs. Muriel Vivt. Next, the Glee club sang several popular Christmas selections.

Mrs. Carol Freeland sang two Christmas selections, assisted by Mrs. Dorothy Traxler at the piano.

Sherwood Rupp, a Crocker student, gave some of his favorite impersonations of popular radio and secreen stars.

This was followed by Mrs. Erwin Schmidt, PTA president, reading a poem, "I'll Join the PTA."

Speaker of the day was Miss Caroline Passemau, Girl Scout field director. She spoke on family living.

Just a week later, the annual Christmas party was given for the PTA members at the home of Mrs. Effie Jordan.

Mrs. Schmidt had the table decorated with the holiday motifs and a large cake in the center.

A delightful pot-luck luncheon was served after which games were played with appropriate gifts for the winners.

Mrs. Ann Eason did honors as St. Nick, and she distributed many lovely, useful gifts.

This Friday, December 30, Mrs. Schmidt will head a special executive board meeting at her home, 1245 Brunswick street. The meeting will begin at 2 p.m.

NEWS OF YOUR NEIGHBORS

Bettie Duffy and **Lorraine Remmer**, the two trim triumphs of twist and twirl, will lead the drill and drum corps of the Independent Order of Foresters in the annual East-West Shrine game in Kezar stadium December 31. Both young ladies are familiar figures in Daly City, and have been twirling batons with the Jefferson High school band for the past several years. This later accomplishment is a singular honor, as the Foreste had hundreds of drum majorettes to choose from, but decided on Miss Duffy and Miss Remmer. Congratulations ladies.

Colleen Trawick, 5, New San Francisco Auto Court, was the victim of a swinging door last Thursday. Visiting friends in the Mission Auto Court, 6843 Mission, she became curious as to the way the door opened and closed in the Court main office. In fact, she became so interested that while playing with the door she accidentally closed it on her fingers. With tears rolling down her cheeks, she was rushed to Junipero Serra hospital, and treated for a cut second and third finger. Hospital authorities report her fingers were not too badly injured, and she was able to use them to open Christmas gifts.

Grace Church Marks Christmas

Christmas was rung in at the Grace Presbyterian church early this year, when 15 new members joined the church December 18.

On Christmas day there was a record attendance at the Sunday school. A special program, under the direction of Mrs. William Harberts and Mrs. Arthur Benofsky, was held for the children.

Following the choir rehearsal, under the direction of Miss Marion Walker, Wednesday evening, 27 carollers visited the homes of the parish, and closed the evening with a party.

Mrs. William Patton and Mrs. Tom Swan were the directing guides in the decoration of the church for Christmas day.

The choir rendered two beautiful anthems, with Miss Gertrude Harberts and Mrs. Einer Hanson at the piano.

The pastor, The Rev. William Harberts, brought a special Christmas message to a large audience.

Meanwhile, this Sunday the Reverend Harberts will deliver a New Year's sermon. There also will be the sacrament of baptism administered to a number of infants.

Mr. and Mrs. Stanford Hannah, 28 Cavour street, spent a quiet Christmas at home, enlivened by the presence of their granddaughter, Miss Jane Elizabeth Hannah. Miss Hannah, who has been in this world for only one year, is the daughter of Dr. and Mrs. George Hannah of Stockton. Also present to enjoy Christmas dinner was Florence Hannah, other child of the Jefferson High school superintendent.

Mrs. C. V. Baker, 130 E. Vista, had an extremely enjoyable Christmas, except for one sad incident. During the festivities she accidentally put a sterling silver pie turner into her garbage can. The turner was missed the day after Christmas, and at the present time garbage men are looking for it in the city dumps. To the scores of homes where something of a like nature probably took place, all we can say is be more careful this New Year.

Myra, the pert photographer at 6275 Mission (upstairs and to the right) has a "convertible" cold today. Speaking in a low, hoarse voice she relates how on the evening of Saturday, December 24, she climbed into the back seat of a long, sleek convertible and turned toward the smog-ridden desolation of Los Angeles. Trying to beat Santa Claus on his rounds, she made the trip from here to the southland in one short evening. Upon arriving in Los Angeles she had dinner with her sister, Mrs. Lorraine Peterson, and her niece, Mrs. Harlow Wilcox. (Note: The husband of this last lady sells wax on the radio.) After getting the bird, Myra turned again to the north and dashed back in the same convertible to Daly City. The return trip was made Monday evening. Despite the bad cold, Myra is quite happy about the whole trip. And why shouldn't she be? At the present time Miss Laurene Laws, 6-year-old daughter of Myra's husband, is helping Myra clean house.

Elman Rose, 856 Beachwood drive, lost a bit of himself to the Christmas season this year. The congenial Daly City Recreation department director took a long needed two-week vacation during the Christmas holidays. However, only a few days after he'd arrived in Susanville, California, it was necessary for him to undergo an unplanned appendectomy. He reports to the "Record" today that he feels fine, and plans to be on the job next week. Note: Anyone who didn't receive a Christmas card from this gentleman, please remember his operation.

PUTTING UP A PROTEST—This woman doctor at a Berlin health center had a little trouble administering cod-liver oil to this wailing 3-year-old youngster. The infant health centers in each of the 12 "Bezirks" of West Berlin are being used as distribution points for cod-liver oil given the city through the United Nations Children Emergency Fund.

Do you have a complaint? A suggestion? Comment?

The Daly City Record will be glad to print letters submitted by local people on local subjects, in a "LETTERBOX" column on Page 2. The column will be printed whenever such letters are received.

Letters of public interest are welcomed for publication, so long as they are not libelous. All letters sent for publication must bear the author's signature, although the signature will be withheld from publication if requested. Unsigned letters will not be published.

Mr. and Mrs. Robert Duffy, 141 Los Banos, had a surprise guest for Christmas dinner. The guest was none other than their son Rodney, who is now stationed with the navy in San Diego. As Rodney, a third class petty officer, had been home for Thanksgiving, none of the family expected him for Christmas. Consequently, all of his gifts had been sent south. When he arrived bright and early Saturday morning, Mrs. Duffy dashed out of the house a few hours later to make some last minute purchases. Also present to brighten Christmas day for the Duffy family were Mrs. Duffy's mother, Mrs. Jane Cosbie of San Francisco, and her brother, Samuel Cosbie of Palo Alto.

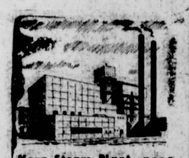
New Cresta Powerhouse now in service...
Sixth major plant added to the P·G·and·E system in 18 months

Up on the Feather River, 30 miles east of Oroville, the massive new Cresta Powerhouse that has been a construction attraction for sightseers for many months, is now on the job pouring out electricity. Its completion set a record in power plant construction... it is the sixth new P. G. and E. power plant put into service during the last eighteen months. With the addition of Cresta's 101,000 horsepower — a total of 694,000 horsepower of new generating capacity has come on the line since V-J Day. Work is being rushed on additional plants which will add another 1,107,000 horsepower by mid-1951. The total horsepower from all of these new power plants will be 1,801,000. This is about 6 per cent of the total of new electric power facilities being built by all electric companies in the United States in the postwar period.



Kern Steam Plant, near Bakersfield, began turning out 101,000 horsepower for California in May, 1948.

Electra Powerhouse, on the Mokelumne River, produces 133,000 horsepower. It came on the line in July, 1948.

West Point Powerhouse, also on the Mokelumne River, added another 21,000 horsepower in November, 1948.

Station "P", the steam giant, by San Francisco Bay, added a big 298,000 new horsepower in February, 1949.

Colgate Powerhouse, on the Yuba River, started pouring out 40,200 horsepower for California in June, 1949.

Lovers of high adventure, especially of the vicarious kind, will find a great deal of enjoyment in two books now at their Daly City library.

These are **Dawn Sails North** by Robert Dean Frisbie and **Where My Shadow Falls** by Leon G. Turrou.

Of the first, more is to be said about the author than his work. Frisbie, as any reader of recent copies of the "Atlantic" magazine will know, was an adventurer in every sense of the term. We use "was" as the author met a tragic death in his beloved South Seas shortly before the last war ended. Frisbie came to the Islands seeking peace, material for novels, and more important, a saling ship.

Unfortunately he never was blessed with any of these. In searching for peace, he had to write; and he had to write in order to raise funds to purchase a boat. As he was never a successful writer, he failed to attain his goal.

In a book soon to be published, James Hall tells about the life of Frisbie. Probably, like so many minor men of art, Frisbie's life is of more interest than his actual works.

For example, during his short span of struggle, the always youthful author settled down in the South Seas, married a beautiful native girl, raised three children, went native on an island never explored by white men, read frantically from such diverse works as Homer and Proust, fought out a tropical storm, and died with a dread disease in the midst of war.

In his last book, **Dawn Sails North**, Frisbie attempted what he called "a minor Moby Dick." He failed, as he knew he would fail. Why he failed, he explained in many long and interesting letters to Hall.

The book concerns the voyage of a cynical sailor, much like Frisbie, among the islands of the South Seas. Here and there, especially in description of native life and surroundings, Frisbie reaches greatness. However, in the over all romantic plot of a sailor falling in love with a native girl, and of the subsequent entanglements, the author ends in a mass of romantic cliches and sub-plots.

All in all, though, the book is well worth reading. However, before tackling it, why not read about the life of Frisbie in the September to November issues of "Atlantic"? We assure you that you will come to the book with a new and more tolerant attitude of all writers.

Now back to Turrou's **Where My Shadow Falls.** This is the exciting, true life of Turrou when he served as a key agent for the FBI, and later as a CDI agent with the army. Here again, the old, but true statement, "truth is stranger than fiction" must be called out of the closet.

The book turns around the famous Lindberg tragedy, the sabotage of the dirigible USS Akron, the Nazi spy conspiracy in America and black-market operations in North Africa.

Written in a fast moving, staccato style, the book is guaranteed to hold your atention from beginning to almost the end. Sadly enough, in the last chapters dealing with his army life, Turrou gets on unfamiliar ground and the book bogs down in sentimental trash.

THE 'RECORD' WANTS TO PRINT THE NEWS BUT NEEDS YOUR AID

No paper can serve its readers unless it prints news of interest. The "Record" is no exception. If there is some event you think should be published, whether it be about yourself, friends or club, please let the "Record" know. We will be glad to print these items if you will mail them to the "Daly City Record," 3317 San Jose avenue, Daly City 25, or call JUniper 5-8215.

PORK CHOPS UNLIMITED—Chicago, "hog butcher of the world," was host to one of the heaviest hogs ever to enter her stockyards. Norman Barnes of the Drovers Commission stands behind the 1080-pound animal which is four feet high and six feet long. An ordinary-sized Hampshire is compared to the big fellow.

Bocci Heads Youth Group In South S. F.

Thomas L. Bocci Jr., recently elected the president of the Young Men's Institute of South San Francisco, is a keen enthusiast of aiding and abetting youth before they are led astray. And it is for that reason he is taking so much interest in the organization which has just chosen him as head.

Explaining his views to a Record reporter, Mr. Bocci said that one of the important aims of the Institute is to stimulate interests. "Sports of all kinds," he asserted, "are a strong deterrent to juvenile delinquency in most forms."

Mr. Bocci, a member of an old Daly City family, practiced what he proposes for he was a letter man during his studies at the University of San Francisco, playing on the baseball team each spring.

The Young Men's Institute, the largest youth association in South San Francisco and a Roman Catholic order, includes some 25 members from Daly City on its roster.

"Fruit Salad" For Navy Vets

The Navy Occupation Service medals and China Service medals are now available at the Navy recruiting station, Post Office building, San Mateo, to those Navy veterans who's naval service entitles them to these medals, it was announced by Chief Pete Foulger of the San Mateo recruiting station.

Navy veterans wishing to obtain their medals should bring their discharge certificate and Navpers 553, or in the case of naval officers, their orders to inactive duty, when they come in to pick up their medals.

Other medals available to Navy veterans at the recruiting station are: American Defense medals, Victory medals, American Area medals, African-European Area medals and Asiatic-Pacific Area medals.

"Record" Reminiscence

From the "Record" 10 Years Ago
December 27, 1939

Daly City's first jitterbug contest came to a rollicking conclusion last Saturday night with Chuck Rivera and Wanda Kalenswki announced winners.

Jack Faulk, 1022 Hanover street, freshman at Jefferson Union high school, was presented with his block letter recently.

Looking back over 1939, here are some of the highlights:

January, Daly City began pouring concrete for a new $61,000 city hall.

February, the coldest weather in five years froze water pipes on the Peninsula.

March, complete classified information about the town was put into the hands of all Daly City residents for the first time with the publication of 1,000 copies of an illustrated commercial and civic directory.

April, Daly City's first Shopping News went to press at the Record office.

May, a spectacular box factory fire in Colma destroyed a building valued at $275,000.

June, the largest class in its history, 146 students, was graduated from Jefferson Union high school.

July, the Daly City Record sponsored a public showing of the SFPI film, "Let's Go Exploring."

August, a modern library desk was installed in the library; Daly City's first community players were organized.

September, two century plants bloomed simultaneously in Daly City.

October, Bruce H. Boynton was appointed new WPA recreation head.

November, Ground was broken for the building of the new San Francisco state college, adjacent to Daly City.

December, Daly City saw the inauguration of her new municipal bus system.

From the "Record" 20 Years Ago
December 27, 1929

Under a star-filled sky, several hundred Daly City citizens met in front of the city hall last Friday to enjoy the annual Christmas tree festivities. Among the entertainers were Miss Dorothy Williams, Mrs. Louise Adams and children of the Crocker school eighth grade.

At the regular city council meeting Monday, the park committee reported that all apparatus in the parks is safe for children's use.

Last Saturday, Mr. and Mrs. Robert L. Cochran, 141 Los Banos, celebrated their 20th wedding anniversary. Guests present included Mayor and Mrs. H. H. Smith, Mr. and Mrs. Kelly, Mrs. Hopman, Mr. Green and Mr. W. J. Savage.

The Jefferson All-Stars' pitchers, Thompson and Keagle, turned in their best exhibition so far this season last Sunday to defeat the Jewel City aggregation, 18 to 3.

Mr. and Mrs. R. Childers, 69 Oliver street, entertained at dinner Christmas day, having as their guests Mrs. Jean O'Rourk, Harvey Skirvin, Harold Allan and Ivan Childers.

Letter To The Editor

Gentlemen:

As chairman of the fire commission of the Daly City Fire department, I'd like to thank the "Daly City Record" for the fine cooperation, publicity and for arranging the committee of judges for the fire station decorative displays.

The boys of the department worked exceptionally hard decorating their respective stations and the finished product reflected the effort and energy which was put forth. It was indeed a difficult task to choose between them.

The boys of Company No. 1 are to be complimented also on their Christmas carol tour on December 22; a seasonal rite which is looked forward to by many of the shut-ins of our city during the Christmas holidays.

Sincerely yours,
FRED BERTETTA

Dear Sirs:

Please accept the thanks of Old Glory Post No. 2044 Auxiliary, VFW, for the fine publicity you have given us through the past year.

We do appreciate it very much, and we wish all the "Record" staff a very happy and prosperous New Year.

Again thank you.
Sincerely yours,
ETHEL DORN, Secretary
ELEANOR HATT, President

Editor:

The St. Vincent dePaul society of Our Lady of Perpetual Help wishes to extend sincerest thanks to all friends and benefactors for their generous contributions to a very noble cause . . . namely to bring relief and consolation to our less fortunate brethren of our beloved city and elsewhere, whereever we find them, during the whole year.

Especially we wish to thank several fraternal and other organizations, and private parties who so generously contributed to our funds with gifts and ready cash during this blessed Christmas season. By doing so, they helped us to accomplish our obligation toward the needy and forgotten children, who otherwise would not have known the joys of Christmas.

In the name of the great apostle of the poor, St. Vincent de Paul, patron of our society, may we ask your further continuous patronage.

If you know of a family in need, let us know. Remember our motto . . . Stamp out poverty, wherever you find it, regardless of creed, race, or color.

With best wishes for a very happy and prosperous New Year to all.

Sincerely yours,
The St. Vincent de Paul Society
60 Wellington avenue, Daly City

OBITUARIES

William Beale

Funeral services were held Saturday at the W. C. Lasswell chapel for William Beale, 53, of Los Angeles.

Beale, the son of Mrs. Ida Beale, 38 Beta street, had come here from Los Angeles to visit his mother over the holidays. Thursday evening he was truck down by a heart attack at his mother's home. Rushed to Junipero Serra hospital, he was pronounced dead upon arrival.

A veteran of World War I, Beale had been suffering from a bad heart for the past six years.

There are no survivors except Mrs. Beales.

Following the funeral services, interment took place at Golden Gate cemetery.

Around Broadmoor Village
with Verna Duste

Hi! Still with us?? Or are you snowed under with Christmas presents? Ole St. Nick was pretty good to us and ours — hope he did same by you!! Funny thing of the week — guess who met face to face in Berkeley 'tother day? Can't?? The Kassows and the V. J. Murphys!! Not strange, you say?? Ah, but it is — you see, both families have moved over there! Needless to say, there was great gaping of mouths and chorused "Whaddya doin' here??"

Visiting the Bill Merchants and, of course, Kathy and Davey, from Lancaster, California, is Mrs. C. E. Smith, Peggy's mother. She'll stay a week.

Back home after a lovely visit with her brothers and sisters over Christmas is Dorothy Cunningham, of 1002 Washington. Naturally, her two favorite "bachelors," Dave and Judge, are more than delighted!!!

Little Sheila deLearmond Mendez, arrived on December 15th at University of California Hospital to the John deLearmond Mendezes, on Maddux. Weighed 8 lbs. 9 oz., too!

The William O'Hares on Maddux are proudly displaying their contribution to the Broadmoor population, Kevin, weighing 7 lbs. 4½ oz.

Parties, parties, parties — leading off with the Hanrahans Yule party on Christmas afternoon, up on Bradley. The Danielsons held forth on December 23rd with a cocktail party, while the Tashros entertained their circle of friends on December 24th. Us?? We sold cokes on the corner of Sweetwood and Washington — business, by the way, was lousy!!

Broadmoor is really to be congratulated on the response to the first annual Christmas decoration contest, held in Broadmoor Village, and judged on December 22nd. Winners were announced as follows, by Don Hager, program contest chairman:

First prize, $50 in cash, Mr. and Mrs. Robt. Franklin, 711 Maddux drive; second prize, $25 in cash, Mr. and Mrs. Larry Green, 631 Manila way; third prize, $15 in cash, Mr. and Mrs. Leon Johnson, 832 Washington street; fourth prize, $10 in cash, Mr. and Mrs. Eugene V. Long, 532 Midway avenue; fifth prize, one 13-lb. turkey, Mr. and Mrs. R. M. Hilton, and sixth prize, one 13-lb. turkey, Mr. and Mrs. William N. Rodman of 715 87th street. The seventh prize was won by the Albert G. Holmans, of 983 Foothill drive. Congratulations, winners, on your prizes hard-won and richly deserved.

"Christmas is for kids" — that's an axiom you hear all the time. And yet, who is it who plays with Junior's train and winds up Sister's musical teddy bear?? Mommy and Daddy — that's who, which all explains that Christmas is for the entire family.

SHOPPING AROUND

Now that hustle and bustle of Christmas is all over, is the time to get those gifts for **yourself**— such as some gorgeous two-thread nylons from Leslie's, the "Home of Lovely Lingerie."

Or — a really pretty tie of your own choosing from Carter's. Speaking of which—have you seen those gorgeous hounds - tooth checked jackets?? Ymmmmm!

See you later friends. HAPPY NEW YEAR. Selah!!

COLMA --- BROADMOOR GARDEN VILLAGE

Colma Center Gets New Topper Jan. 6

With shingles, nails and their donated time, roofers from Daly City and Colma will put a new topper on the Colma Community Center, Dunk street, January 6 and 7.

Bill Degliantoni, instigator of the plan to give the center a roof at cost, made this announcement today.

He asked all those interested in helping out, to see him before the big week-end job. Any type of labor is welcome, as long as there is no price tag attached.

At the present time, thanks to the free labor, and materials at cost, Bill estimates the normal $700 roof will be put down for about $200.

Next week the "Record" will print a full list of those citizens who will give their time and labor for this project.

"Why not resolve now to obey the traffic laws, be more courteous in traffic and drive at a reasonable speed during 1950," is a suggestion made by the California Highway Patrol.

Gala New Year's Party At Broadmoor Community Center; Everyone Welcome To Attend This Saturday Evening

Wondering where to go on New Year's, without ending up in a loan office January 3?

If you're a resident of Broadmoor, or for that matter the Daly City area, the Broadmoor American Legion Post No. 824 has the answer.

On New Year's Eve the Post is throwing a big party at the Broadmoor Community Center. Everyone is welcome, and there will be no, that's right, no cover charge.

Activities get underway at 8 p. m. and will continue well past midnight. During the course of the evening those attending will be able to purchase drinks and food at a nominal price. Needless to say, there will be dancing.

The boys at the post, under the direction of Bill Merchant, have been working hard this past week to decorate the Center like a night club. With small tables scattered here and there, bunting and blooms, and plenty of dark corners, the old Center has really taken on the New Year's motif.

Remember, this is open to the public. The more the merrier. Merchant hopes to see all of you there this Saturday evening.

San Francisco was the second city in the world to have a telephone system, an historian asserts.

Current production costs for apples in California are more than double prewar costs.

Personal income of Americans is at the rate of approximately 210 billion dollars.

"Commercial" potato producers are those who produce more than three acres of the crop.

Sixty-five percent of the nation's timber is in the Western states.

Brandy accounted for 1.3 per cent of all distilled liquor consumed in the United States in 1948.

Mrs. Siess Gets Southern Cake

With a large, beautiful birthday cake from Louisiana, Mrs. Fannie Siess, 560 MacArthur, celebrated her 89th birthday Monday evening.

The cake was sent from Shreveport air express especially for Mrs. Siess' birthday. It came from her daughter, Mrs. Raye Harper.

At the present time Mrs. Siess is living with another daughter, Mrs. Gladys Simpson, in Broadmoor.

In addition to the fine cake, Mrs. Simpson gave a full party for her mother. Present to wish Mrs. Siess well were Mr. and Mrs. Frank Fredrickson, Mr. and Mrs. Robert Quistgaard, Chet Nelson, Mr. and Mrs. William Olson, Mr. and Mrs. Stan Webb, Dr. Shirley Schaffer, Miss Jean Guillio and Frank Mallos.

Broadmoor Boy Hit By Auto

Broadmoor got through the Christmas holidays with only one major accident reported.

This occurred shortly after noon last Friday when Robert Thurman, 3-year-old son of Mr. and Mrs. Thurman, 1507 Sweetwood drive, was hit by a car.

The accident happened at the corner of 91st street and Sweetwood. Young Thurman was taken to Junipero Serra hospital where he was treated for minor cuts and abrasions.

The driver of the car, Mrs. Frank J. Rack, 1415 Sweetwood drive, was not cited.

Broadmoor Police Commission Board Meeting January 10

The board of commissioners of the Broadmoor Police protection district, at a regular meeting, announced that as of the first of the year an open regular meeting will be held the second Tuesday of each month at the police station on 90th street, between Edgeworth and Sweetwood.

The committee extends an invitation to every one in the district to attend these meetings, especially the one being held on January 10, 1950.

At this meeting the public will be advised upon the accomplishments of the police department, since the present commission took office.

Lutheran Church New Year Services

Keeping with the New Year, the Lutheran Church of Broadmoor will hold a special service this Sunday at 11 a.m.

Theme of the sermon will be "Christians Can Face the 1950's Unafraid." As usual, the service will be held in the Community recreation center, White street just off 87th.

The Sunday school will be held at the regular hour, 9:45 a.m.

"This church wishes to welcome those not having a church of their own, to spend at least one hour of the first day of a new decade in the 'House of the Lord'," Pastor Max Zschiegner said today.

Army Air Force Wants Flyers

Young men between the ages of 17 and 34, inclusive, with high physical and mental qualifications, are eligible for enlistment in the United States Air Force.

This announcement was made by M/Sgt. William D. McCants, of the Army and Air Force recruiting station, San Mateo, today.

Sgt. McCants Also stated that both men with, or without prior service are being accepted in the Air Force.

A careful selection of applicants is being made with the new career guidance program, under which each airman has an opportunity for training in a highly skilled field of his choice, Sgt. McCants said.

Complete information on the Air Force program may be obtained at the Army and Rir Force recruiting station, located at the Post Office building, Room M-5, San Mateo, or by telephoning DI 3-6490.

Vacant Seat In The Sun
By Ridgely Cummings

A winter sun had burned through the noon-day clouds and was shining on a group of us sitting on the concrete shelf in front of the State building.

We were enjoying our lunch hour breather and talking of this and that when a new arrival joined us. He was Bert Kerrigan, former Stanford track star who used to be known as "Rabbit" when he played football for the Olympic Club and the Multnomah Athletic Club of Portland.

It was forty years ago that Bert was at his athletic peak. Now a well-preserved, slender, dapper civil servant, Bert spread a newspaper on the concrete and sat down.

"A nice day for this time of the year," someone said.

"Yes," agreed Bert. "Too bad the old gentleman can't be here to enjoy it with us," he added.

JUDGE FRITZ

We chorused concurrence. The old gentleman he referred to was the late Superior Judge Alfred J. Fritz, who passed away recently at the age of 78.

"The judge never missed a sunny day," said Bert. "It seems sort of lonely out here without him. Ridge, you're always writing things: why don't you write a piece about the judge?"

I promised I would and this is it. It was my privilege to spend quite a few lunch hours listening to the judge and Bert reminisce about the exploits of their youth in the San Francisco that used to be.

Judge Fritz's court was in city hall and on bright days he enjoyed walking across civic center to his spot, sheltered from the prevailing westerly wind, in front of the State building. Kindly, courteous, wise, he was a welcome addition to our group.

RACONTEUR

The judge had an inexhaustible fund of stories about inside political developments in the past of our city but the subject he loved best was athletics. The names of all the great and near-great in football, swimming, and track during the past fifty years rolled trippingly off his tongue for he knew them all well and had competed with some.

Bert Kerrigan was an able foil for the judge's anecdotes for Bert is no youngster himself. Te has told me stories about his adventures as a correspondent during the Boer War and his participation in the Olympic games around the turn of the century, stories which place him as nearly an exact contemporary of the judge.

Notice that I write "nearly." The word is chosen advisedly because the state of California has a rule that a state employee cannot belong to the retirement system after he reaches the age of 70 and he cannot work more than six months in any year for the state without belonging to the retirement system, a rule which practically makes retirement mandatory at the age of 70 and Bert is not yet ready to retire.

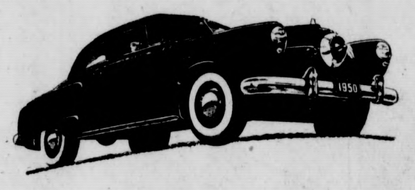
LIFE-LONG FRIENDS

Bert and Judge Fritz were longtime cronies and fellow-members of at least two organizations, the Olympic Club and the Old-Time Athletes Association.

There seems to be something about starting one's career as a successful athlete that makes a man more mellow in later years, more of a man's man. I speak as one who made his prep school's 105-lb. football team when he weighed only 0 pounds soaking wet, an achievement that gave me more satisfaction than many another accomplishment of later years.

Judge Fritz had that quality of tolerance and mellow understanding. He is missed by the noon-time sunworshipers.

1949
Studebaker's biggest year!



More people bought new Studebaker cars and trucks in 1949 than in any year before!

Since its introduction in September, the new 1950 Studebaker has been bought by more people than any new-model Studebaker in any similar period!

Today's far-advanced new 1950 Studebaker is the fastest selling Studebaker of all time!

SAYS U. S. GETS CULTURE—Mary Garden, left, opera star of yesteryear, tells United Press correspondent Laura Etz in Chicago that she thinks the center of world culture is shifting from Europe to the United States. Miss Garden is on tour in this country.

Full-Time Liquor Control Officer At Redwood City

The State Board of Equalization has assigned a full-time liquor control officer to duty in the Redwood City area, it was announced today by Don Marshall, district liquor administrator.

Marshall said Liquor Officer James W. Gillen will work out of the Board's sales tax office at 873 Main street in the county seat. In addition to enforcement duties, Mr. Gillen will be authorized to accept transfer applications, give out information on liquor matters and serve in other ways for the convenience of licensees and the community.

Prior to the assignment of Gillen to Redwood City, liquor matters in San Mateo county were handled in the Board's Burlingame office at 1350 Howard street, subject to supervision from the district office in San Francisco. The Burlingame office will continue to serve the northern part of the county and will provide supervision for Mr. Gillen's activities in the southern part.

James Gillen lives at 1125 Orange avenue, San Carlos. He has been with the liquor division of the Board of Equalization since 1943, has six years of experience with San Mateo county problems and enjoys a wide acquaintance in the county.

All Quiet On D. C. Christmas Front

Despite the abundance of good cheer that "flowed" in Daly City over the Christmas holidays, police reported a fairly quiet three days.

In the drunk driving department, three persons were charged with this over exuberance behind the wheel. They were: Milo C. Hume, 544 Bellevue avenue; Larry Donlin, 348 Andover, and Mrs. Irene Landolt, Sharps Park.

Only nine cases of drunkenness were on the docket due to celebrations on December 25.

Two false fire alarms were turned in, but no actual blazes were reported in the Daly City area.

Despite the law outlawing B.B. guns in Daly City, soon to be passed by the council, one lad showed his sloppy shooting. This unidentified boy put a hole through the window of a Mr. Field, 129 E. Vista, on Christmas Eve.

CHILDREN AT PLAY

During the holidays, when schools are closed, children should be warned by their parents not to play on streets or highways. Traffic is unusually heavy at this season and visibility is frequently reduced by rain, fog or early darkness, points out the California State Automobile Association, greatly increasing the hazard for children playing on or near traffic lanes.

COURTESY COUNTS

Traffic accident volume, in the opinion of safety experts, could be cut in half if all drivers observed the rules of sportsmanlike driving, says the California State Automobile Association.

GOLDEN RULE

Keep in mind the "Golden Rule" of motoring when you drive, urges the California State Automobile Association. Be as courteous to other drivers as you would have them be to you.

FOR VISITORS TO ROME—This Italian girl models one of the religious souvenir scarfs which will be available in Rome, Italy, during the Holy Year of 1950. Hundreds of thousands of Catholics from all over the world are expected to make a pilgrimage to Rome.

Beet Sugar Marketing Quota

The sugar act of 1948 fixes the nation's beet sugar marketing quota at 1,800,000 tons each year for the next five years.

Wise Old Owl

Few if any owls construct their own nests. A cavity in a tree, an old house or belfry, an old hawk's or crow's nest will do.

Certain Game To Enjoy Rest After January 1

The pursuit of several species of game fish and wildlife comes to an end New Year's Eeve, but don't put away rods or guns yet, counsels the Division of Fish and Game.

Although the seasonal curtain falls on ocean steelhead and salmon fishing, and bear, quail, tree squirrel, rabbit and pigeon hunting, conservation officials point out that California offers excellent year-round fare for the confirmed sportsman.

Salmon and trout fishing in waters of the Pacific and all bays except those east of the Carquinez Bridge ends one hour after sunset, December 31. Meanwhile, winter anglers are inaugurating the major steelhead trout and salmon season in hundreds of streams throughout the state.

The end of the calendar year will also see the seasonal opening of salmon spawning areas in 20 counties.

One-half hour after sunset, Saturday, December 31, marks the beginning of a vacation for jack rabbits in southern California, and the wind-up of state-wide hunting for bears, quail, brush and cottontail rabbits, and tree squirrels. Under federal regulations, pigeon shooting closes at sunset.

Hunters may go after ducks and geese until January 7 in most of the state, and may take jack rabbits in northern California the year around. Predatory animals and birds, such as coyotes, mountain lions, raccoons, bobcats, crows, magpies, Cooper's hawks, and great horned owls are continuous legal targets.

For the perennial piscator, there is no closed season on striped bass, catfish, shad, mullet, and hundreds of ocean fish species. Fishing for black bass, sunfish, and crappie is a 12-month affair in southern California and Clear Lake.

Off with the old and on with the new applies to angling licenses too. Ninteen hundred and fifty sport fishing permits, required after December 31, are now on sale at five Division offices and 3,000 license agencies throughout the state.

"If you drink, don't drive," is good advice anytime. The California Highway Patrol believes this particularly applies during the New Year holiday season.

"Keep this holiday period free of traffic accidents by starting a little earlier so you won't be tempted to speed," is the recommendation of the California Highway Patrol.

Blinding headlights are dangerous. The California Highway Patrol suggests you lower the beam and not the boom on the other driver when driving at night.

Heavy traffic and speed usually mean a traffic accident. The California Highway Patrol urges every driver to adjust the speed of his car to the conditions in order to drive safely this holiday season.

There were 52.9 telephones for every 100 San Francisco on January 1, 1949.

SQUAW'S "NEW LOOK"—Inspired by the gaily-colored costumes of the American Indian, this creation is done in gentian purple and crisp white cotton. The many-striped skirt, matched by modified leg o' mutton sleeves, is topped by a neatly-buttoned bodice with a little round collar.

Avalanche!

Olga Druce, glamorous director-producer of MBS' "House of Mystery" directs a very special sound effect for the show—one calling for extra-special dexterity from the sound effects man. Pouring small stone and gravel on a sheet stretched over a frame, he creates the ominous sound of the onset of an avalanche, while, with his other hand he gets set to turn on record of tremendous earth-shaking crash for peak of the disaster.

UC Extension Music Classes

Approximately 30 music classes—ranging from music history and literature through music theory and advanced professional courses—will be offered by University of California Extension at the San Francisco Conservatory of Music, 3435 Sacramento street, this spring.

Designed to meet the needs of teachers, professional musicians, and laymen who want to meet with people of like interests under experienced leadership, most of the courses offer University of California credit for those who desire it.

Among the subjects scheduled are classes in Gregorian chant; chorale prelude and organ fugues; history and literature of music; introduction to musical literature; rudiments of music; ear training; solfeggio; elementary and intermediate counterpoint and harmony; score reading; studies in music analysis; sight reading for singers; preparatory keyboard harmony; elementary piano ensemble; methods of teaching piano; piano repertory and interpretation; opera repertory; choral conducting and chorus; and three jazz classes, including a workshop in jazz arranging.

Complete catalogues and further information on Extension music classes may be obtained by writing or calling the San Francisco Conservatory of Music, WAlnut 1-3496, or Music Extension, 2441 Bancroft way, Berkeley, AShberry 3-6000, ocal 696.

Estimated 30,000 Vets In SM County

How many veterans are there in San Mateo county?

The current estimate by Floyd D. Granger, veterans service officer, is approximately 30,000. But, until the results of the 1950 Census are tabulated, this figure is only an educated guess, Granger pointed out.

Veterans themselves can help provide a more nearly accurate count, he adds. At the same time they can do themselves and their dependents a real favor. How?

If any veteran in San Mateo county has not yet paid a call at the Veterans Service Office in connection with some problem in connection with benefits to which he is entitled under state or federal law, he should do so without delay, Granger advises.

HOLIDAY DRIVING

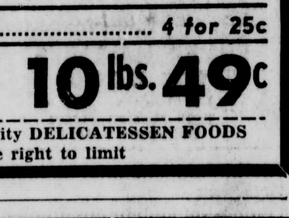
Don't mix your holiday drinking with your holiday driving, advises the National Automobile Club. Alcohol when taken into the system even in small quantities impairs your vision and your muscular efficiency and definitely increases your reaction time. By refusing to drink if you are going to drive you can help make sure that you "get home for Christmas."

Remember, motorists, the faster you go the greater the damage if you have an accident. The California Highway Patrol says the difference in speed may determine whether you live to see 1950 or not.

Merced county broke away from the original Mariposa county in 1855.

TEST YOUR I. Q.

1. When was the first news agency established in this country?
2. Where was the first "modern, first-class hotel" in the United States?



3. When was the first fountain-pen patent granted?
4. What was the name of the first women's college to confer degrees?
5. When was West Point established?

NEWS FROM THE SCHOOLS

CROCKER

The halls of the Crocker School as well as the classrooms radiated the spirit of Xmas, Santa Claus, his reindeer, gay Xmas trees, gay posters of little children and choir boys, modernistic cut-outs, etc., adorned the many bulletin boards. Each room had its own particular theme to make the room a counterpart of the holiday season.

On Thursday, the last day of the school year, the halls reverberated with bells, and a party spirit. Students throughout the school wore bells on their shoes and anxiously awaited the time planned in their classrooms for their Xmas party. Gifts were stacked under each classroom tree, and a "Santa" in each room distributed the gifts. It was over, all too soon, and happily the Crocker students left their building with a Merry Xmas and a Happy New Year until 1950 opened the doors of learning again!

ROOM 5

The children of Room 5 had a practical art period when their art teacher showed them how to make attractive cut-out Christmas cards for friends.

Billy Hunter arranged a clever decorative piece of Walt Disney figurines, which he made himself. This, together with their tree and pictures, has made the schoolroom have a festive air.

Their social studies program has taken them in to the mystic land of India. They have learned about one o fthe seven wonders of the world, the Taj Mahal, and the pathetic story which caused it to be built.

ROOM 6

The following pupils of Room 6 have not been absent nor tardy since the beginning of the term: Donna Carlisle, Carolyn Saumer, Charles Ciolino, Beverly Hinkson, Bert McKenna, and Jacqueline Tollefsen.

In social studies we have been studying the history of Russia, particularly the part which tells about Ghenghis Kahn and the Golden Horde which came in from Asia and conquered the Russian slavs. The last story was about Peter the Great.

INCREASE IN RURAL TRAFFIC ACCIDENTS

A definite upswing in traffic accidents in California's rural areas during October 1949 as compared with those during October 1948 is reported by the National Automobile Club.

During October of this year there were 2,144 fatal and injury accidents, 3,295 persons injured, and 230 persons killed, as compared with 1,925 fatal and injury accidents, 3,056 persons injured, and 190 persons killed during October of last year.

The 1940 census showed 26 per cent of city dwellings in metropolitan areas were in slums and blighted areas.

So far as is known, California's Board of Forestry, organized in 1883, is the first such state board to be created.

TAKING DEMONSTRATIONS

An aspect of car performance that few motorists ever think to check during the demonstration drive is its ability to take curves without rolling or sidesway, states the National Automobile Club. To make the test in any of the new cars is to learn one of their greatest advancements over the car one happens to be driving — and to make their allure that much more irresistible.

Answers to TEST YOUR I. Q.

1. The first news agency in the U. S. was established about 1811 in Boston, Mass. It was started by a tavern-keeper who sold the news he gathered from seamen coming into port.
2. The first modern, first-class hotel was Boston's Tremont House, opened in October, 1829. The $2-a-day rate included four meals daily.
3. The first fountain-pen patent was granted May 20, 1836, to D. Hyde of Reading, Pa.
4. "The Georgia Female College," now Wesleyan College, in Macon, Ga., was the first in this country to grant degrees to women.
5. West Point was established by order of Congress on March 16, 1802, for the purpose of "educating and training young men in the theory and practice of military science."

BIBLE COMMENT
FOR JAN. 1

How the Christian Church Began Is Thrilling Story

FOR some months during this year many Sunday Schools will be studying the story of the founding and growth of the Christian Church, as it is told chiefly in the Book of the Acts. It is hoped that this column will be of help to teachers and scholars, but inasmuch as it seems to be read widely by many who are not in Sunday Schools, it will deal in general with the story of the spreading of Christianity, without reference to particular lessons.

That story, of early Christianity, is both amazing and thrilling. What could be more amazing than that a little group of men and women in a small land in the midst of ancient empires could receive from a leader a mission of the conquest of the world? And with a spiritual message, the Gospel, be inspired to go forth with faith and courage, believing that that mission could be fulfilled?

Is there not a deep thrill in the vision of Paul, the great Apostle, a Jewish citizen of Rome, and proud of his free-born citizenship in a slave-ridden world, surveying the vast power that had conquered all the then known world, but declaring, "I am ready to preach the gospel to you that are at Rome also . . . for it is the power of God"? (Romans 1:16.)

Might against might! Power against power! What faith, and vision, and courage was in that little Jew as he set the empire of Christ, as yet in his Christian dream, over against that vast empire of Rome with all its power over all the world!

The uncertain world of today needs Christians, perhaps as it never needed them before. Christians whose sense of God's presence and power make even the might of the world seem weak. Christians who say, inasmuch as in us is, we are ready to preach the gospel.

HAPPY NEW YEAR From all of us at **SAFEWAY**

Many *Exclusive* Features Every Week! THE DALY CITY RECORD

IT'S ABOUT TIME—Dr. Robert S. Black of Corpus Christi, Tex., is the inventor of a new dental drill which reportedly eliminates most of the pain in drilling teeth. The unit at left mixes an abrasive in a chamber with carbon dioxide gas, minimizing heat, pressure, vibration and noise. Dr. William Mann, above, demonstrates the device on Gerald Fitch.

Time To Register Your Family Car

California's annual registration renewal period for the nearly 4,500,000 motor vehicles registered this year opens Tuesday, January 3, and continues until midnight, February 4.

Registration expires by law at midnight December 31, but because of intervening holidays renewal will not begin until January 3. Motor Vehicle Director A. H. Henderson said all branch offices of the Department of Motor Vehicles and its supplementary services were prepared to handle record-breaking crowds of renewal applicants.

Henderson urges every motorist to pay their fees in person instead of by mail and to use the potential registration card for 1950. The majority of potential registration cards are in the mail but because of year-end transactions some will be received early in the new year.

Those who do not receive their potential registration cards by January 15 should use their 1949 registration cards (white slips) in making application, Henderson said. They will receive their 1950 aluminum and red license tabs immediately and their 1950 registration cards (white slips) will be mailed to them.

Motorists who use their 1950 potential registration cards to renew will receive license tabs and 1950 registration cards (white slips) immediately provided they apply in person. When presented at any motor vehicle license issuing agency with the fee payment indicated on the face, the top copy will bevalidated and returned to the applicant with his tabs. The validated copy constitutes the 1950 registration card (white slip) which is to be displayed in the driving compartment of the vehicle.

AUTOMOTIVE INDUSTRY SMASHES PRODUCTION RECORDS

The automotive industry in the United States smashed all previous production records by turning out 5,430,093 cars, trucks, and buses during the first ten months of 1949, reports the National Automobile Club. This figure tops the earlier 1929 full-year record by more than 72,000 units.

1950 Chevrolet To Be On Display Saturday, Jan. 7

A new series of Chevrolet passenger cars, reportedly one of the most important ever developed by the company, will be unveiled Saturday, January 7.

W. E. Fish, general sales manager, made the announcement today as some 7,000 Chevrolet dealers across the country began preparations for elaborate showroom presentations.

"We are introducing an advance that has been a subject of research and test throughout the postwar period. The cars carry a development that we believe will have a revolutionary influence on automobiles of the future," said Fish.

The 1950 car will make its appearance following Chevrolet's most successful year. Fish said retail passenger car sales in 1949 would top 1,000,000 units while truck sales of 350,000 would set a new all-time record for the industry.

Noel Coward Play Has West Coast Premier January 10

The San Francisco Repertory Company will begin the first of a series of six feature plays to be produced at the Bush Street Music Hall.

The opening date will be January 10. The San Francisco Repertory Company, made up of professional actors from New Nork and Hollywood, and augmented by the finest of carefully selected local talent, brings to the Bay Area the best of modern and clasic drama, presented by San Francisco's only permanent professional theater company.

The Bush Street Music Hall, leased as the home of the San Francisco Repertory Company, is being completely remodeled so that audiences will enjoy the productions in comfortable continental theater style.

Directed by Robert T. Eley, producer-director of the New York Repertory Theatre, and producer-director-actor with the 'Old Vic' company of London, The San Francisco Repertory Comany will feature year-around entertainment. The intimate-staged productions will play six nights a week, Tuesday through Sunday. The year will be divided into two production seasons of six months each.

FIESTA QUEEN—Pert Colleen Delaney, above, will be "Senorita of the Fiesta" at the Orange Bowl Festival at Miami, Fla., beginning Dec. 26.

Sea Scouts Donate Hams And Turkey To Local Residents For Xmas

Christmas this year was a happier thing for those local residents who helped to finance the Sea Scout Ship No. 144, Daly City.

Expressing thanks for their financial aid, the scouts gave hams and turkeys to the following:

F. J. Faste, 627 Midway avenue; Peter Markovich, 6454 Mission; L. C. Reed, 109 East Vista avenue; M. Olson, 165 Miriam street; Al Davis, 1166 Flournoy; W. J. Hunter, 19 Guadalupe street.

Navy Has Place For High Grads

High school graduates may now file applications for entrance to Navy technical schools. Over 20 schools are available, including such schools as: electrical, diesel engine, machinist, printers, radioman, journalist, photography, and radar-television.

Graduates selected for this program are so notified before they enlist. This program offers young men the opportunity to learn a skill, using the best of equipment, while receiving $82.50 a month in pay, plus free lodging, uniforms, and medical and dental care.

There is a limited quota for these schools, so young men desiring to make application should not wait until the last minute to apply, as it might involve waiting for a later quota.

For complete information on this program, call or visit the Navy recruiting station, Post Office building, San Mateo. Phone DI. 4-2781.

Special New Year Services At Bethel Lutheran Church Sunday

New Year's Day will be observed at Bethel Lutheran Church, Alemany boulevard and Huron avenue, in the morning worship next Sunday at 10:45 o'clock.

The Rev. Herbert P. Schroeder will deliver the sermon for the day. The subject is: "The Strength We Need." A junior girls chorus will sing.

Sunday school will be conducted at the regular hour, 9:30 a.m.

San Francisco ranks second as the nation's coffee market.

One of Two Sedans in 1950 Chevrolet Line

The Styleline, one of two individually designed sedans which have achieved immense popularity with Chevrolet owners, will have new beauty in 1950. Improved grille work, sturdier bumper guards and more tasteful ornamentation are some of the exterior improvements. New Chevrolets also offer increased power and comfort with the Powerglide automatic transmission as optional equipment on De Luxe models.

PRICE IS HIGH

Courtesy costs nothing, but lack of courtesy on the highway has proven extremely costly in life and property, points out the California State Automobile Association. When you drive, drive carefully and with consideration for the rights of others.

Balboa Adult Night School Registration Will Begin January 3

Registration for the spring semester at Balboa Adult School, Onondaga and Cayuga avenues, will start on Tuesday, January 3.

Classes offered will be typewriting (beginning and advanced), English for foreigners, citizenship, ceramics, stenography, badminton, mill and cabinet shop, radio and electric shop, public speaking, real estate and dressmaking.

Classes are offered at Balboa Adult School each Monday, Tuesday and Wednesday evening from 7 to 9 o'clock. No tuition is charged.

HANDLESS PALS GET TOGETHER—Harold Russell, who lost his hands in the last war, shows 4-year-old Tommy Herbert of Cleveland, O., how to produce a tune out of a music box with his hooks. Tommy, who attends nursery school and is interested in football and mechanical toys, also does well without hands. They were severed by a switch engine.

GIVE THOUGHT

Now, with the holiday traffic rush in full swing, is a good time to give thought to your walking and driving habits, advises the California State Automobile Association. When walking or driving, don't take chances, obey traffic signs and signals, and observe the courtesies of the highway.

WOMEN'S ORGANIZATIONS

Friday, 8 p.m. — Vista Grande Camp No. 6035, Royal Neighbors of America, Little Italy Hall, 6229a Mission street.

Wednesday, 8:15 p.m. — El Carmelo Parlor No. 181, NDGW, Masonic Temple, 17 Hillcrest drive.

Beware Of Phoney Furniture Salesman

The Better Business Bureau warned housewives today to be on the lookout for a young man who is collecting cash deposits on orders for furniture slip covers, falsely claiming to be a salesman for several local furniture companies.

The man, described as being in his twenties, 5 feet seven inches, weight 140 pounds, blue eyes, small mustache, dark hair, long fingernails, well dressed, speaks with Southern accent, is giving unprinted receipts on which no address for the firm is indicated and only his initials are given.

Gullible women who have been victimized failed to ask for his full name or address and did not take the precaution to verify his alleged connection with the furniture company he claimed to represent.

"BEFORE YOU INVEST—INVESTIGATE," the Bureau urged as the best protection against schemes of this type.

But For The Grace Of God . . . . . This Might Be You . . . . . .

ARE THESE OUR CHILDREN?

There is no discrimination between the young and the old as that Treacherous Monster of Tragedy, so often in the person of a careless or speeding motorist, plies his ugly trade. Here you have actual results . . . . . precious lives robbed of their very breath. How many more such illustrations must be made before caution rules us at the wheel?

WE APPEAL TO YOU

THINK! THINK! THINK!

PEOPLE DOWN LIKE TENPINS

Once these folks lived, danced and sang. They loved their children, revered their homes; proud to be Americans; happy to own and drive a roomy, comfortable automobile . . . . . yes, to wheel out into the country just to relax and diminish their cares. But, as you can see, in one flashing second, the Monster --- Negligence struck its (or was it his?) wholesale blow.

PLEASE DRIVE CAREFULLY! HEED THESE WARNINGS!

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

BEARS — Ends December 31 Bag limit: 2 per season. Shooting hours: one-half hour before sun rise to one-half hour after sunset.

DUCKS, WATERFOWL—Open until January 6 along Colorado River only. December 19 to January 7 elsewhere. Bag limits: five ducks per day, including one wood duck; six geese with not more than two of dark species, or brandt; 15 coots; 25 mergansers. Shooting hours: one-half hour before sunrise to one hour before sunset, except on opening days when shooting starts at Noon.

QUAIL—Closed in districts 1¾, 22, 4½, and all of district4 except Orange county. Ends December 31 in balance of state, including Orange county. Bag and possession limits: eight per day. Shooting hours: one-half hour before sunrise to one-half hour after sunset.

TREE SQUIRRELS — Open until December 31 in specified sections of central and northern California only. Consult abstract of hunting regulations. Bag and possession limits: two per day. Shooting hours: one-half hour before sunrise to one-half hour after sunset otherwise.

BRUSH AND COTTONTAIL RABBITS — Ends December 31. Bag and possession limits: eight brush and cottontails in the aggregate. JACK RABBITS — Ends December 31 in southern California districts 4, 4⅛, 4¾, 19, 20, and 22. No closed season elsewhere. No bag limit.

STEELHEAD TROUT — Open in specified waters of northern and central California counties. See abstract of angling regulations.

BLACK BASS—Bag limit: Five fish. No size limit.

THUMPING POLITICAL TUBS—Tony Buetti, 16-year-old candidate for district attorney, delivers a campaign speech in the Boys Brotherhood Republic, housed in a converted tenement on New York's East Side. Each year about this time the boys, between 8 and 18, go to the polls to elect members of their "government of the boys, by the boys and for the boys."

Irish Lower The Boom On New Year At Annual Dance

The 58th annual ball of Company "A" Irish Volunteers will be held this year in the K.R.B. Hall, 1133 Mission street, Saturday night, December 31.

This function, the last and best of its kind in San Francisco Irish circles each year, serves as a great annual reunion of all the Gaels and their friends in San Francisco and in Bay area.

In addition to the popular American dances there also will be featured the Irish sets, jigs, reels and hornpipes to the music of a specially-selected orchestra of Irish musicians.

The committee, with Captain John Waters as chairman, and assisted by Jerry Boyle, Liam Costello, Tom Moynihan, Den Joe McCarthy, Sean Murphy and Sean Claffey, is preparing a great program of enjoyment for the patrons.

Dancing will continue in progress until 1 o'clock in the New Year.

Mission Dolores in San Francisco was founded in 1776, six days before the signing of the Declaration of Independence.

PHOTO FINISH

Racing on the highway often ends in a photo finish, but it's the photo showing the finish of life and property. Don't speed and don't take chances, urges the California State Automobile Association.

CARLESS DRIVERS

The careless driver frequently becomes the "car-less" driver as a result of his own actions, observes the California State Automobile Association, urging drivers to keep alert and to drive carefully at all times.

Like MUSIC and DANCING They Go Together . . .

New Semester Mission Adult School, January 3

The new semester at Mission Adult School, Eighteenth and Dolores streets, will start the evening of Tuesday, January 3, Robert F. Gray, principal, announces.

The Mission Adult School program includes courses in the academic, commercial, vocational, and leisure time fields. Unusual offerings include classes in ceramics, knitting, photography, movie-making, real estate, real life sketching, folk dancing, and driver education.

Mission Adult School is open each Monday, Tuesday, Wednesday and Thursday evening from 7 to 9 o'clock. All classes are tuition free and any interested adult is invited to enroll.

High school credit will be given for all courses completed at Mission Adult School.

IMPATIENCE COSTLY

Our word "impatient" is derived from a Latin word meaning "suffer," a meaning which every automobile driver should keep in mind, says the California State Automobile Association. Untold suffering has been caused by drivers whose impatience has resulted in serious traffic accidents.
